

JOHN LEE SANDERS

Backline Rider

Keyboards:

Grand piano if available

"In Venues where a Grand Piano is provided, must be tuned to "A-440" before soundcheck, Artist will provide a C-ducer pickup for the soundboard"

If Grand Piano is not available:

1 Yamaha or Roland 88 key weighted keyboard

Yamaha P series, or Motif, S90, or S80

Roland RD series, or equivalent

Heavy duty "X" Stand or equivalent, and piano bench

1 Boom stand with Shure 58, beta 58, or Shure KSM9

1 DI box, or 2 if stereo is an option

2nd keyboard,

(only When a second keyboard player is contracted- please check with John lee Sanders)

Hammond B3, C3, or A100, and Leslie

Please notify us of other Organ options if Hammond is unavailable

Bass:

1 Bass Amp, SWR with 4 10 inch speaker cabinet or, Roland or Peavey Bass Amp comparable.

1 DI box

2 Guitar Amps

1. Fender Super Reverb, or

2. Fender Blues Deluxe or equivalent with 10" speakers

3 boom stands with Shure beta 58, or regular 58

When horns are part of the show,

2 music stands with lights

Drums:

DW, Yamaha, Pearl or Tama - Maple or Birch

Bass Drum - 22" or 20"

1 Rack Tom - preferably 10" but 12" traditional is fine

Floor Tom - 14"

Snare Drum - 14"

3 Cymbal stands - one a boom

1 Hi Hat Stand

Bass Drum Pedal - preferably DW 9000 or 5000

Preferably newer heads and close to in tune
